A REVOLUTION IN MEDICINE!

What may seem almost incredible, is, that many diseases hitherto considered hopelessly incurable are frequently cured in a few days or weeks, and we cheerfully invite the investigation of the liberal minded and scientific to cures which have no parallel at the present day.

Our medicine is peculiar; by it the seat of any disease is directly reached, and the equilibrium restored:

Those who have suffered long from painful and obstinate diseases; Those who have vainly sought relief from advertised medicines; Those who cannot be cured by other physicians—

Are Invited to Use Constitution Life Syrup.

During the past five years we have contended with betacles and overcome opposition as herculean as were ever encountered by any reformers. RAPIDITY OF CURE.

Some say, "Your cures are too quick," while others doubt their permanence, and think that diseases can only be cured by the "slow recuperative process of Nature." of Nature."

This is our reply: In health, the body, like a well balanced scale, is in a state of Equilibrium. But when, from any cause, down goes one side of the scales, we have the effects of disease. What is requisite is, to restore the normal balance of the scale.

Constitution Life Syrup. A positive and specific remedy for all diseases originating from an IMPURE STATE OF THE BLOOD, and for all (hereditary) DISEASES transmitted from PARENT TO CHILD. PARALYSIS.

Iemipiegia, Paresis Paraplegia, Paralysis Agitans It is so universally admitted that Constitution Life Syrup is the only effective means of restoration in the various forms of Paralysis, that we need not reti-erate that it is emphatically the Great Life-Giving Power. GREAT REMEDY

CONSTITUTION And the only known Remedy

DIABETES and DISEASES of the KIDNEYS and BLADDER.

CONSTITUTION WATER

Has been pronounced by the Medical Faculty and the public, to be the most wonderful remedy for the per-manent cure of all diseases of the STOMACH, LIV-ER, KIDNEYS and BLADDER that has ever been

manent cure of all diseases of the STUMACHI, LIV-ER, KIDNEYS and BLADDER that has ever been offered.

It is note MINERAL WATER. It is from experience that CONSTITUTION WATER has emenated, and we now say let no man doubt, when a single bottle has been known to cure diseases which the best medical talent in the country failed to relieve.

A remedy possessing the virtues of Constitution Water cannot be classed under "quack" preparations, as it is now used by the most scientific practitioners in the city. It is only second-class physicians that cry down popular remedies, while the better skilled make use of every means to accomplish a cure; and the success of the physician increases as his knowledge of different remedies enables him to produce a cure, while others fail in the attempt.—Science is satisfied with the truth.

Give Constitution Water a fair trial—we mean you who are under some SPECIALST'S care from year to year, and we particularly allude to ladies who are constantly resorting to LOCAL THEATMENT, and all sorts of local applications for diseases, with as much chance of success as there would be from local applications to the throat for diseases of the brain.

We have always been careful to use language in our circular that could not shock the most delicate organization, but we receive many communications from persons for whom Constitution Water is adapted, and of whose disease no mention has been made, that we have come to the conclusion that if the remedy is capable of producing a cure, no matter what the disease may be, it should be made known. The medicine is put up for the public and there should be no exceptions.

DIABETES

Is a disease of the stomach and liver, acting through the kidneys, and is without doubt, the most obstinate disease, except Consumption, that affects the human constitution. We have no space for discussing causes, but will state that the effect of the disease is the conversion of the starchy principle (or vegetable portion of the food) into sugar, which stimulates the kidneys to an excessive secretion of water. Many persons suffer from this disease who are ignorant of it; that is, they pass large quantities during the day, and are obliged to get up from one to fifteen or twenty times during the night. No notice is taken of it until their attention is called to the large discharge of water, and often when it is so far advanced as to be beyond the control of ordinary remedies. Another symptom is the great thirst, which, when the disease is fully established, is intolerable—lie patient drinks constantly actition to design satisfied; also dryness of the mouth, cracking of the lips, a sweet breath, in the more advances cases, and finally loss of appetite, emaciation, and the patient gradually sinks from exhaustion.

Constitution Water is, without doubt, the only known remedy for diabetes, and we have as much confidence that it is a specific as we have that opium will produce sleep, and truthfully say that it has cured every case in which it has been used.

Stone in the Bladder, Calculus, Gravel, Brick Dust Deposit, Etc., Etc.,

Diseases arising from a faulty secretion—in the one case being too little, and accompanied by severe pain, and in the other a too profuse secretion—which will be speedily cured by the

Stranguary, or Surning and Painful Urinating. For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most argent sym-

toms.

Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of the Constitution Water will relieve you. PHYSICIANS

Have long since given up the use of bucchu, ubebs, and juniper in the treatment of those diseases, and only use them for want of a better remedy. CONSTITUTION WATER Has proved itself equal to the task that has devolved upon it.

DIURETICS Irritate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed disease.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful for curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physican.

DANVILLE, PA., June 2, 1862.—DR. WM. H. GREGG—Dear Sir:—In February, 1861, I was afflicted with sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve tims during the night, and in five months I lost fifty pounds in weight. During the month of July, 1861. Procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours, truly, J. V. L. DEWITT.

BOSTON CORNERS, N. Y., Des. 27, 1861,—WM. H. GREGG & Co.—Gents: I freely give you liberty to make use of the following certificate of the value of Constitution Water, which I can recommend in the highest manner:—My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart and Irritation of the Bladier. Icalled a physician, who attendad her about those months, when he left her worse than be found her. I then employed one of the best physians I could find, who attended her for about ine months and while she was under his care ah did not suffer quite as much pain. He finally gave her up, and said "her case was incurable. For" said he, "she has such a combination of complaints that medicine given for one operates against some other of her afflictions. About this time she commenced the use of Constitution Water, and to our utter astonishment almost the first does seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a porma enticure.

St. Anthony's Fire, Rose, Salt Rheum Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tunckhannock Democrat, Pennsylvania.

Our only child, about three years of age, was stacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent our, which covered his face, and actually blinded his eyes for some days. A skilful physician applied uitrate of gilver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having thed every thing clse we had any hope from, we began giving your Sansaparita, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the secoud. The child's eyelashes, which had come out, grew again, and he is now as b "althy and fair as any other. The whole neighborhood predicted that the child must die." Scald Head, Sore Eyes.

Syphilis and Mercurial Disease. From Dr. Hiram Steat. of St. Louis, Missouri.
"I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis, and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

best medicines we have."

From A. J. French, M. D., an eminent physician of Laurence, Mass., who is a prominent member of the Legislature of Messachusetts.

"Dn. Aven.—My dear Sir: I have found your Sarsapanilli. an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterntive is required."

Mr. Chaz S. Fan Lieve, of New Brunsuck, N. J., ful alterative is required."

Mr. Chas S. Fan Lieve, of New Brunsneck, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more agravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of Aven's Sansafantilla relieved him. Ew cases can be found more investrate and

distressing than this, and it took several dozen bot tles to cure him. Leucorrhoss, Whites, Female Weakness are generally produced by internal Scrafulous Ulcer-orion, and are very often cured by the alterative effect of this Sansafakilla. Some cases require, however, in sid of the Sansafakilla, the skifful application of local remedies.

application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Uncinnats.

"I have found your Sakararant. I a sn excellent alterative in diseases of females. Many cases of irregularity, Leucorrhous, Internal Ulceration, and local debility, arising from the scrofulous disthesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of kername, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhous of long standing, by two bottles of your Sakararant. A.
